Acceptable Use Agreement for Carer/Parent

This Chromebook is provided by Virtual School Kent for Kent Children in Care for the purpose of supporting their education.

User Agreement

- I will upload parental settings and controls onto the Chromebook, as per instructions provided by VSK.
- I will place any internet-based technology (including laptops, desktop computers and games consoles) into a family space and will ensure that parental settings and controls are kept up to date.
- I will access appropriate support and training and will visit sites such as www.thinkuknow.co.uk, www.saferinternet.org.uk, www.nspcc.org.uk/what-we-do/about-us/partners/nspcc-o2-online-safety-partnership/ and www.childnet.com for more information about keeping Young People safe online
- I will support my Young Person by sharing responsibility and role modelling safe and positive online behaviour and by discussing online safety with them when they access technology at home.
- I will set up a house 'contract' about safe internet use within my home which will be created with my child to address any issues they may have, what I expect from them and what they can expect from me.
- I will appropriately supervise my Young Person's internet use at home.
- I will contact my Young Persons' Social Worker or school if I have any concerns about e-Safety.
- I agree to the terms shown on this document.
- I agree that the Chromebook will always be used in a responsible way.
- I understand that the Chromebook is the property of Kent County Council and will be taken away if there are any concerns about its use.
